

Sentences with towo objects

Page 17

Note: Some sentences have **two objects**. We often use a preposition between the two objects (verb + object of verb + preposition + object of preposition)

Examples

1. I unplugged **the cable** **form the computer**
2. Insert **the plug** **into the socket**

I usually buy **flowers** to **my mum**

flowers Objeto directo **my mum** Objeto inderecto

I usually buy **my mum** **flowers**

Note: En ingles cuando vamos a usar 2 objetos, si uno es una persona, la persona se coloca primero despues del verbo y no se usa **preposición**
